RENEWED REQUEST UNDER 37 CFR 1.42

Attention: PCT Legal Office

S I R :

Applicant hereby requests reconsideration of the Decision on Petition Under 37 CFR 1.42 mailed on June 4, 2002.

The Decision noted that the declaration submitted by Ms. Chiovatero on April 30, 2002 did not comply with the requirements of 37 CFR 1.68 because it does not indicate that all statements are made of her own knowledge are true and all statements, made upon information and belief, are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application.

In response, Applicant encloses herewith a copy of the originally submitted declaration, with an added page to the combined declaration. The added page restates the country of citizenship, former residency and mailing address of both the deceased inventor and the legal representative as well as the

relationship of the legal representative to the deceased inventor. The declaration by Ms. Chiovatero now includes the language in conformity with 37 CFR 1.68.

It is respectfully submitted that the requirements of 37 CFR 1.42 are met and an early decision on this renewed submission is requested.

Respectfully submitted,

Gerald Levy
